|---|-----------------------------|---------------------------|---|-------------------|-----------------------------|
| 4K Here I Come! | Students Entering 4k | 1 and 2 | "4K Here I Come" is designed to help students prepare for their first days of 4K. During this course students will become familiar with how school and 4K works. We will read books, do art projects, play games, do activities, and sing songs! "4K Here I Come" is an excellent way for students to meet friends who may be in their 4K class as well as some of the staff. After this class your child will be excited to start school! | \$5.00 | Mrs. Charles |
| Fun in the Sun | Entering 4K-3 | 1 and 2 | Do you enjoy being outside? How about flying kites and watching them soar? What about scavenger hunts, t-ball, kickball, and games galore?!!! Get ready to have some fun with water too, these are just a few of the activities we will do!! This is a great opportunity for your child to learn how to stay active and not be bored this summer. They will learn games they can play with groups of kids and they'll learn activities they can do on their own! Learning how to cooperate and play together is very important. Students will have the opportunity to be involved in lifelong activities, tag games, and MUCH MORE! At times students will be divided into smaller groups for age appropriate activities. | \$5.00 | Mrs. Lamack Mrs. Siebold |
| Summer Fun Arts and Crafts | Entering K-1 | 1 and 2 | Summer brings so many possibilities for fun and creativity. Join us in this class for arts, crafts and activities to spark curiosity! This hands on class will be sure to fuel your imagination and get you ready for loads of summer fun. | \$5.00 | Mrs. Bertrand |
| Super Summer Science | Entering K-3 | 1 and 2 | Calling all scientists! Come explore, build, and learn using the world around you!! You will get to participate in cool experiments that are creative and fun! | \$5.00 | Mr. Tess |
| Characters and Crafts | Entering Grades 2-4 | 1 and 2 | Unleash your imagination this summer! Together we will read short stories and then create an art masterpiece to help our imaginations soar! Aligning our art projects with key characters and themes from our stories, your child will be able to dive into their book, hands first! Who's ready to get a little messy? | \$5.00 | Ms. Lutz |
| Bookin' and Cookin' | Entering Grades K-4 | 1 and 2 | If you like to read and you like to eat, then this is the class for you! During our class time we'll read many wonderful books and create projects to go along with them-including your own cook book! We'll make a variety of yummy snacks related to each book and explore recipes from around the world! *Snacks we will be making include those made with gluten, nuts and dairy. | \$10.00 | Mrs. Wisnicky |
| Tapping Into Your Muse Through Creative Writing | Entering Grades 3-8 | 1 | Do you like to write short stories or poems? Does creating a graphic story interest you? In this class, we will explore your creativity in writing stories and poems. In addition, we will create a variety of mini-journals. At the conclusion of this course, we will create a Writer's Notebook with our best work. | \$8.00 | Ms. DeGroot |

| | | | | | |
|--|----------------------|---------|---|---------|--------------|
| Super Summer Science | Entering Grades 4-7 | 1 and 2 | Calling all scientists! Come explore, build, and learn using the world around you! You will get to participate in cool experiments that are creative and fun! You will also get to use ROBOTS!! | \$15.00 | Ms. Krueger |
| Ultimate Camp Games | Entering Grades 4-9 | 1 and 2 | Join us as we bring part of the summer camp experience to you! We will be playing camp games such as Capture the Flag, Allies & Commandos, Dr. Know-It-All, and many, many more! There will be team-building activities, sports, and games. All you need is a pair of tennis shoes. | \$2.00 | Mrs. Charles |
| Monarch Way Station | Entering Grades 4-9 | 1 and 2 | Who's ready to help plant a butterfly garden in our school? Join this class and get ready to learn more about native plants and monarch butterflies. Come dressed and ready to dig into the soil to do some gardening. We'll learn what makes Monarch butterflies so unique. There will even be some time to have some fun in the sun creating garden crafts while relaxing and sipping lemonade. Life's a garden. Dig in! | \$5.00 | Ms. Rabas |
| Cooks With Books-Road Trippin' USA | Entering Grades 5-12 | 1 and 2 | Junior chefs and bakers will participate in each step of the reading and cooking process: counting, measuring, pouring, and mixing...and of course, eating, reading comprehension, cause and effect, compare/contrast and inferencing! Focus will be on foods and stories about states of the United States. At the end of the summer school session, students will take home her/his own recipe book filled with recipes, and short stories or titles. Any allergies or dietary restrictions will be taken into account for every recipe used, ensuring that the experience is healthy and fun for all! | \$10.00 | Mrs. Kennedy |
| Clock Making | Entering Grades 5-12 | 1 | Like Gepetto in Pinocchio, be a Clock Maker! Design and build your own authentic wooden clock - that really works! Your wooden clock will stand as tall as 12 inches high. Make it any shape you wish. Have fun painting and decorating it - any way you want. A project that you can enjoy "time after time". | \$15.00 | Mr. Worth |
| Painting Masterpieces with Acrylic Paints on Canvas and Wood | Entering Grades 5-12 | 2 | This Painting Class will explore painting the following: Landscapes, Still-Lifes, Animal Portraits, Human Portraits, Architecture, and Abstract Paintings. If any student(s) wishes to incorporate storytelling into their painting, they can explore writing and illustrating (painting) a story book. | \$15.00 | Mr. Worth |
| Don't Want to Get Skunked?? Learn how to play cribbage! | Entering Grades 5-8 | 2 | Looking for a fun way to practice Math and Critical thinking skills? Let's play cards! In this course, rules and strategies of the game of cribbage will be taught the first week and sheepshead the second week. This class is for any skill level. Games will be played among students. | No Fee | Ms. DeGroot |

|---|--|---------------------------------|---|---|--------------|
| Summer Band Lessons | Entering Grades 6-12 | TBD | Students enrolled in summer band lessons will have the opportunity to work one-on-one or in a small group with director on developing individual musicianship skills. Lessons will be scheduled for thirty minutes on a weekly or biweekly basis for a duration equaling five weeks (one week will be offered for make-up lessons). In lessons students will focus on developing their musical independence and the power of music performance. This will be accomplished by playing games, studying a variety of musical literature and other musical activities . Lesson times will be arranged with instructor on an individual basis. | No Fee | Mrs. Scherer |
| Summer Choir Lessons | Entering Grades 6-12 | TBD | This class is open to any students entering grades 6-12. Students need not be enrolled in choir to participate in summer voice lessons. During summer lessons students have the opportunity to receive one-on-one or small group instruction focused on helping students develop their own unique voice. Topics include the developing of proper vocal technique and musical knowledge. We can also include piano skills! Lessons will be 30 minutes once a week for 5 weeks with an additional week for make-up lessons. | No Fee | Ms. Smejkal |
| Introduction to Music Theater | Entering grades 7-12 and participating in the cast or crew of the fall musical | TBA | Do you love musicals? Do you want to learn more about them? This portion of the workshop offers the opportunity to explore the storyline of our fall musical, plan set and scenery, and get a start on blocking and choreography. We will also be teaching basic theater terminology, blocking techniques, and choreography styles. Some fun improvisation games will be played so bring your creativity and check your inhibitions at the door. You need only have auditioned for the fall musical cast or signed up for crew in order to participate. | No Fee | Mrs. Scherer |
| Introduction to Music Theater-Vocal Technique | Entering grades 7-12 and participating in the cast or crew of the fall musical | TBA | This course will be offered in partnership with Introduction to Music Theater. We will learn proper, healthy music theater singing techniques and apply them to the music for the fall musical. No previous musical experience is needed. You need only have auditioned for the fall musical cast or signed up for crew in order to participate. | No Fee | Ms. Smejkal |
| Pagel's Ponderosa Boot Camp | Students Entering Grade 8 | June 18-22 9 AM-3 PM | Get ready for a wild ride of agriculture at the Ponderosa Dairy. You will be learning and practicing activities at the dairy that may include safety with equipment, animal handling, how to make cheese, and taking care of calves. You will be learning technology, accounting, finances and marketing. A variety of instructors will be presenting hands on educational lessons that will keep you motivated and moving. The boot camp will include the essentials of a good work ethic, how to be a team player, and communicating clearly with others. These interactive skills will be useful in ANY future job. Come join the fun! Separate registration form will be given to the students during school. Return to Mrs. Rohr ASAP to reserve your spot. Only 30 students accepted! | \$5.00 Transportation, breakfast and lunch | Mr. Charles |
