 **KSD VISION: Empowering All Students to take Their Future by Storm: Learning, Leading, Succeeding Together.**

**“And all at once, Summer collapsed into Fall.” -Oscar Wilde**

Dear Parents/Guardians,

Kewaunee High School just completed their Homecoming Week full of dress-up days, daily assemblies, athletic events, hallway decorating, window decorating, tractor/lawn mower parade, pep assembly, and the Homecoming Dance. I want to thank all of our students for representing Kewaunee High School in a positive manner. This was shown through large attendance at all events, showing school spirit, and being respectful to guests in the building.

Our goal is to partner with our families to create a positive school climate for all. We encourage you to stay informed and get involved.

**Here are some ways you can help your child:**

- **Be in class. Attendance** is the number one success factor.
- **Complete homework.** Make studying and doing homework part of the daily routine.
- **Learn to adapt.** Adapt to different sets of class rules and expectations, teaching styles, and personalities.
- **Be ready to learn.** Complete homework, bring all needed materials to class, also be well-rested.

Sincerely,

Mark Dax, Principal

## Kelton Jennings

Hello my name is Kelton Jennings and I'm Kewaunee's new band director! I grew up in the small town of Poynette, Wisconsin just north of Madison. Growing up I had a large interest in music which eventually led me to pursue a degree in music education at the University of Wisconsin Green Bay. During my time in college I developed a love for jazz and have had some wonderful opportunities to play within the Green Bay community. Outside of my music life, I've always loved the outdoors and have a passion for hunting and fishing.

## Ross Tilkens

I am a recent college graduate from University of Wisconsin Stevens Point. I grew up in Ashwaubenon and am excited to be back in North East Wisconsin. I have an enormous passion for science and am so grateful to share this with the Kewaunee students, staff, and community. In my free time I enjoy fishing, playing hockey, spending time outside, and being with my family.

## Jan-Dorian Kratochvil – 12<sup>th</sup> grade

My name is Jan-Dorian Kratochvil. I am from the Czech Republic. I like fishing, skiing, rock climbing, and being outdoors in nature and the mountains. I have two sisters, Valentyna (younger) and Helena (older). I have joined Cross Country this year here and am really enjoying it. I am helping on my host family's farm which is a new experience for me and I really like it.

## Alba Illana – 11<sup>th</sup> grade

My name is Alba, I am from Madrid, Spain. I am 16 years old. I have a big sister and a little brother. I like sports; my hobbies are swimming and snowboarding, and in my free time I love traveling, taking pictures, listening to music, and spending time with my friends.
